CONDITION IS SAID TO BE UNCHANGED

G. W. Jones, Victim of Footpads, Is Still Semiconscious at Hospital.

The condition of G. W. Jones, the aged grocer who was murdered and assaulted and robbed on Thursday night in an alley in the rear of his home, 2303 Floyd Avenue, was last night reported as unchanged. Since he was removed to the Memorial Hospital he has been in a semiconscious condition and unable to tell anything concerning the assault. The three negroes arrested by Detective-Sergeants Wiley and Kellam and Detective Bryant, and who are said to have confessed, were arraigned in Police Court yesterday morning, and their hearing was set for April 15. The arrest of these men, Guy Brown, Edward Anderson and James Evans, was regarded as a splendid piece of detective work.

Yesterdays afternoon a baseball bat, which the police assert was the weapon used to deal Mr. Jones a terrific blow on the side of his head, was found in a lot near the scene of the crime. It will be submitted as evidence when the case is brought to trial. The finding of the bat was due to information furnished by Evans. He accompanied the officers, handcuffed to one, to the scene, and aided in the search.

NOSTRILS AND HEAD STOPPED UP FROM COLD? TRY MY CATARRH BALM

Instantly Clears Air Passages; You Breathe Freely; Dull Headache Goes; Nasty Catarrhal Discharge Stops.

Try "Ely's Cream Balm." Get a small bottle, anyway, just to try it. Apply a little in the nostrils and instantly your clogged nose and stopped-up air passages of the head will open; you will breathe freely; dullness and headache disappear. By morning the catarrh, cold-in-head or catarrhal sore throat will be gone. End such misery now! Get the small bottle of "Ely's Cream Balm" at any drug store.

This sweet, fragrant balm dissolves by the heat of the nostrils, penetrates and heals the inflamed, swollen membrane which lines the nose, head and throat; clears the air passages; stops nasty discharges and a feeling of cleansing, soothing relief comes immediately.

Don't lay awake to-night struggling for breath, with head stuffed; nostrils closed, hawking and blowing. Catarrh or a cold, with its running nose, foul mucus dropping into the throat, and raw dryness, is distressing but truly needless.

Put your faith—just once—in "Ely's Cream Balm" and your cold or catarrh will surely disappear.—Advertisement.

GREAT BOULEVARD UP SHOCKOE CREEK

City Engineer Bolling Recommends Walling In of Big Sewer.

SPENT \$912,710 LAST YEAR

Annual Report to Mayor Shows What Has Been Accomplished.

In his annual report, now in the hands of the Mayor, City Engineer Charles E. Bolling urgently recommends commencement of the work of walling in and covering Shockoe Creek and Bacon Quarter Branch, and that an avenue not less than sixty feet wide be constructed on top of the sewer from Broad Street to Hermitage Road. For the work of converting the creek into a closed sewer the City Council has issued bonds for \$353,000, but other appropriation will be necessary to acquire the necessary right of way for the proposed avenue, and to further carry on the work.

This project, so long and so earnestly advocated by Mr. Bolling, has met with general approval, and is regarded to be as necessary as it is possible. Such an avenue, says Mr. Bolling, would greatly enhance the value of abutting property, would tend to the building of factories in Shockoe Valley, and would afford a roadway of easy grade from the northern suburbs to the central business and commercial district of the city.

In writing of this project, Mr. Bolling says: "I can conceive of no single improvement which can bring about greater beneficial results. The long movement of improvement of this valley I have repeatedly urged, and I feel convinced that when the results of the money expended this year are seen there will be no doubt in the minds of many as to the desirability of continuing the improvement each year until completed."

Mr. Bolling says also that there is necessity for larger appropriations for the construction of the sewer system in South Richmond. He urges that sewers and pipes be laid before the surface of the streets has been paved or otherwise improved.

What Has Been Spent. The report shows that \$912,710.13 was spent last year under the supervision of the City Engineer's Department. The itemized account of expenditures follows:

Annexed territory	\$315,735.71
Hands and carts	\$2,571.43
Paving sidewalks	\$1,181.72
Grading and paving alleys	\$6,563.34
Driveways	\$4,103.87
South Richmond streets	\$4,103.87
South Richmond sewers	\$2,123.57
Sewers generally	\$2,909.45
Sewer construction	\$1,210.60
Sewer contingent account	\$1,222.77
Grounds and parks	\$2,322.52
James River improvement	\$2,767.35
Opening and widening Monument Avenue	144.70
Extension of Church Hill tunnel	\$20,000.00
Construction of Mayo Bridge	\$137,579.43

NEGRO LYNCHED BY MOB.

Accused of Attacking White Woman Sixty Years Old.

Clanton, Ala., March 21.—Charles Young, a negro, was lynched to-night two miles from town by a mob of enraged citizens, and several bullets were fired into his swinging body. The crowd dispersed. Young was accused of attacking Mrs. Anderson Wilson, a white woman, sixty years old, yesterday. It is charged he afterwards robbed the house, beat the woman and threatened to kill her. The negro escaped. Bloodhounds failed to follow his tracks, as he used turpentine to kill the scent.

Young was captured this afternoon near Maplesville, Ala., by a posse of officers. The local people were immediately aroused, and threats of lynching were made openly. A call was sent to Governor O'Neal for troops, and a company was hurried from Montgomery by special train before the posse of officers with the negro could reach Clanton, and before troops arrived the mob of citizens took possession of the negro and lynched him.

Mrs. Wilson is in a critical condition. Reports Girl Snatched from Home. W. R. Ligon, of South Richmond, last night complained to the police that a colored girl snatched a \$5 bill from his hand while he was standing at Seventh and Leigh streets waiting for a street car. She grabbed it, ran and escaped, before he realized what had happened, he said. He furnished a description of her.

O. O. F., which will be held at 8 o'clock in Fraternity Hall, 215 West Broad Street. All lodge members in the city have been invited to witness the degree work. Efforts are being made by the eleven local lodges to swell their membership from 1,800 to 2,000 before the end of the month, when the reports for the current quarter will be sent to the grand secretary. FEEL HEADACHY, DIZZY, BILIOUS? CLEAN YOUR LIVER!—A DIME A BOX

Sick headaches! Always trace them to lazy liver; delayed, fermenting food in the bowels or a sick stomach! Poisonous, constipated matter, gases and bile generated in the bowels, instead of being carried out of the system, is reabsorbed into the blood. When this poison reaches the delicate brain tissue, it causes congestion and that dull, sickening headache. Cascarets will remove the cause by stimulating the bowels, making the bile and constipation poison move on and out of the bowels. One taken to-night straightens you out by morning—a 10-cent box will keep your head clear, stomach sweet, liver and bowels regular, and make you feel bright and cheerful for months. Children need Cascarets, too.—Advertisement.
